FOREWORD

The information contained in this document is taken from data stored in several family computer databases as of 8 Aug 1994. The document is essentially a pedigree line stated in text form with a little family history included. As these family databases are continually being upgraded, the information contained herein may be different from previous or future printouts.

The information in the family databases is derived in part by the compiler's personal research and in part on information furnished by others. It is not a complete listing of all the descendants of the progenitors involved. While it is based upon what is considered the best information available to the compiler at this time, no claim is made that it is free of errors.

The lack of, or unavailability of, reliable public and private records hampers the completeness and accuracy of much genealogical work. Fires and improper maintenance have destroyed many vital records. Like of details, poor penmanship and many other shortfalls in records that do exist often contribute to misinterpretations by those using them.

Any help that may be provided in making this genealogy more complete and accurate will be appreciated. In submitting information for corrections or additions please indicate the source of that information.

INTRODUCTION TO IDENTIFICATION NUMBERING SYSTEM

1. What the number means: Each family member listed in this genealogy has his/her own unique number. The number "1" is assigned to the first progenitor of the family enumerated in this document. Each digit in a number represents a generation, i.e. the progenitor is the first generation, his children the second generation, his grand children the third generation, etc. The actual number of a digit represents the order of birth of the individual within his parent's family. The number assigned to any family member is his identification number. It is also a pedigree number in that the ID# of each of his ancestors, within this family, back to the progenitor is included in the number. This is illustrated more clearly in the following chart:

1	The progenitor
11	First child of the progenitor
112	Second child of #11
1124	Fourth child of #112
1124 3	Third child of #1124
1124 37	Seventh child of #1124 3
1124 37A	Tenth child of #1124 37 (See Note)

NOTE: The space after the fourth generation has no significance other than to make the number easier to read. When there are more than nine children in a family their numbers would be more than one digit and would thus foul up this system which is based upon one digit representing a generation.. Thus children above nine are assigned letters to denote their order of birth, i.e., A the 10th child, B the 11th child, C the twelfth, etc.

2. Using ID numbers to determining relationships:
Relationship can be determined by comparing ID numbers as follows:

ID# of Person one	1326 4615
ID# of Person two	1323 1381

- a. The first three digits of the numbers of both persons are the same. This indicates common ancestors of both.
- b. The fourth digits are different, thus indicating siblings of #132
- c. The fifth digit indicates first cousins, the sixth digit second cousins, the seventh digit third cousins and the eight digit fourth cousins. Thus these people are fourth cousins.

Other example: ID# 1322 145
ID# 1325 2434 . Third cousins once removed

ID# 115
ID# 1246 3 First Cousins twice removed

ID# 1633 5
ID# 1633 8 Siblings

INTRODUCTION TO IDENTIFICATION NUMBERING SYSTEM Contd.

Data for the document contained herein was taken from several family data bases. Most of these databases utilize the same numbering system, however, the reader is advised that determination of relationship as discussed on the preceding page can only be accomplished by comparison of numbers from the same family database. The preponderance of data contained herein is from the SARTIN Family database.

MAJOR & MATILDA [MAY] SARTIN

ID#: 11 NAME: SARTIN, MAJOR, s/o John. Jr. & Margaret [Barnes] Sartin, b. Pike Co., MS, 28 Nov 1812, d. Pike Co., 6 Mar 1908. On 24 Jan 1833, in Pike Co., MS, he married MATILDA MAY, d/o John & Mary [Farley] May, b. MS, p Pike Co., 15 Feb 1814, d. Pike Co., 1 Jun 1899. Both are buried at Sartinville Cemetery. Major was a prosperous farmer, living all of his life in the Sartinville Community. Major and Matilda were prominent members of the Sartinville Methodist Church located across the road from the Sartinville Cemetery. About 1858/9, Major built a new home about a mile or so north of the Church and Cemetery in SE1/4 SE1/4 S6-T4N-R11E. It was large enough to accommodate his big family and sturdy enough that it is still in use (1991). This writer first saw the house around 1954. At that time it was still structurally sound but in need of repair in several areas. Subsequent to then ownership passed to the Thurman Boone family, a descendant, who restored the house to its original condition. Today the house stands majestically along Rte 27 about a hundred yards or so from the road. The road has obviously been rerouted since the house was built as it stands at a near perpendicular angle to the road. An interesting story has been told about a near fatal illness that Matilda contacted at one time. It seems that she came down with an ailment under which the patient goes through a crisis before death or recovery. It seems that all the family, along with the Doctor, were gathered around the bedside as she entered the crisis. As her condition grew steadily worse the Doctor finally made a diagnosis that she was dying. Since the nearest place a coffin could be obtained ready made was in McComb some 25 miles or so away, and this being a days journey each way, a wagon was dispatched immediately to obtain one. A flash flood occurred while the driver was in McComb, delaying his return for a day or two. When he finally arrived at the Sartin home, Matilda was sitting on the front porch waiting to greet him. The coffin was stored in the loft of the house to await the appropriate time to be used. After all another flood might occur again when it would be needed! Major and Matilda reared eight children: George Pounds, Sarah Jane, Elijah, Madaline, John Westley, James Obed, LINUS WHITMAN, and Mary Elmira Sartin. <PCo cen 1840, 1850, and 1860; Refs A & B, and numerous letters and personal contacts>.

JOHN, JR. & MARGARET [BARNES] SARTIN

ID#: 1 NAME: SARTIN, JOHN, JR., s/o John, Sr. & Amy [Barton]
Sartin, was born 4 Feb 1791, probably in either North Carolina or in the Territory of Tennessee. Tennessee was established as a Territory in 1776 under the administration of the Colony of North Carolina. Thus it had not become a State until after the birth of John Sartin, Jr. John Jr's father died not long after his birth and subsequently his mother was remarried to Joseph Lea. Lea lived in Caswell County, N.C. prior to his move to Tennessee. This compiler has not been able to determine whether Joseph & Amy were married in North Carolina or Tennessee. According to a Lea Family researcher, they lived in Graniger County, TN until about 1778/9 when they moved to Anderson Co., TN. They moved again ca 1808 to Amite County, Mississippi, bringing John Sartin, Jr. along with them. It was here that he met and married, 24 Nov 1811, MARGARET BARNES, d/o William & Sarah Elizabeth [Johnson] Barnes. Margaret was born in Georgia on 12 May 1795 and came with her parents three or four years later to Amite County, MS. After their marriage John & Margaret settled on a little farm on Magee Creek a few miles south of China Grove in Pike County (now in what is Walthall Co, MS NE of Tylertown). It is believed that they later moved several miles north to a community that took their name (Sartinville). John Sartin, Jr. died in Pike County on 1 Oct 1846. His wife Margaret died in that County on 29 Aug 1883. She is buried at Sartinville Cemetery, but his burial place is not known. As she outlived him by nearly 37 years, it is possible that he may have died before the move to Sartinville and was buried near their old homestead in a grave now lost. According to available information John & Margaret had thirteen children: MAJOR, William, Joseph, Alfred, Amanda, Leander, John III, Helen M., Emily, James B., Melsina, Robert David, and Margaret. <Refs. THE FAMILY OF LINUS WHITMAN & ANGELINE [STOVALL] SARTIN

ID#	NAME/GENEALOGY
117	SARTIN, LINUS WHITMAN, s/o Major & Matilda [May] Sartin, b. PCo, MS, 4 Mar 1848, d. Memphis, Shelby Co., TN, 5 May 1928 while visiting his daughter, Lillian Smith. On 9 Feb 1870 he married, probably in PCo, Angeline Stovall, one of the triplet daughters of Thomas Peter & Esther [Elliott] Stovall. Angeline was born in the China Grove Community near the current Walthall-Marion County line in 1846. She died at BEAUVIOR, Biloxi, Harrison Co., MS on 25 Feb 1940. Both she and Linus are buried at Sartinville Cem. in Walthall Co., MS. Their graves are unmarked, however according to family tradition, one of them is buried at the foot and the other at the head of Major Sartin, Linus' father. (The grave of Major Sartin is marked). During the War between the States, Linus served in Company K, 17th Louisiana (Inf?) CSA. After their marriage following the war, Linus and Angeline settled about 3/4 mile NW of the cross roads at Sartinville (in NE1/4 NE1/4 S7-T4N-R11E). Their old home at this site was still standing in 1991. It was here that all of their children were born. Sometime before 1900 they moved to McComb, PCo, MS. In 1910 they were living in Marion Co., MS. They were listed twice in the MCo census of that year. In the first listing they were living near Columbia, perhaps a little south toward Cheraw on the west side of Pearl River. In the 2nd listing they were living in the Hub Community on the east side of the river. They were still listed in 1920 Cen of Marion Co., but apparently had moved back to the Cheraw area. On 4 Dec 1921 they moved to BEAUVOIR, the Jefferson Davis Shrine at Biloxi, MS. (At that time cabins were constructed on the grounds of the Shrine to house aged CSA Veterans and their wives in the waning years of their lives). Following the death of Linus, Angeline left BEAUVOIR on 25 May 1928 to live among her children. After a few years she became dissatisfied and moved back to BEAUVOIR on 21 Aug 1933. She remained there until her death in 1940 at the age of 94. Linus & Angeline had five CHN: Infant, Minerva Elmira, Lillian Beatrice, George Whitman and Grover Cleveland Sartin. <PCo 1880 Cen Soundex, ED 39, Sht 21, Bt 3; PCo 1900 Cen, H/H 130 McComb town; Marion Co.. (Information from Private Contacts indicate that George Whitman was born in
1883. However the 1880 Census shows he was one month old when the census was

Thus the census date for the year of his birth is considered more accurate).

THE LINEAGE OF ANGELINE STOVALL (1846-1940)

1.0 BARTHOLOMEW STOVALL, the immigrant to America, was born 24 Aug 1665 in Albury Parish (then Alborough), Surry County, England; d. ca 1721 at Deep Creek, Henrico (now Powhatan) Co., VA. He arrived in Virginia in late 1684 on the ship BOOTH, Capt. Peter Pagen, Master. Prior to his departure from England, he signed with his mark on 7 Jul 1684 an indenture to JOHN BRIGHT, a merchant, for a term of four years as payment for his passage. On 16 Aug 1715, he received a patent for 318 acres of land at the junction of Deep Creek and the south side of the James River, near Powhatan, VA, about 30 miles west of Richmond. St Emma's Academy, a Catholic retreat, is now located on the property.

The English origins of BARTHOLOMEW STOVALL have not yet been proven. His father, GEORGE STOVALL (STOWELL), was buried 8 Nov 1665 at Albury, Surrey, England. His mother JOAN [_____] STOVALL died after 1675. She was a widow by the time Bartholomew was ten years old. George Stovall's father is believed to have been GEORGE STOVALL, Sr. who married MARGARITE FARLEY on 11 Oct 1612.

BARTHOLOMEW STOVALL apparently married twice. The name of his first wife is unknown, as an apparent daughter, HAGER STOVALL, is mentioned in an estate settlement. He married 2nd, at old St John's Church, Henrico Parish, VA, on 8 Aug 1693, ANNE BURTON, d/o Thomas & Susannah [Hatcher] Burton. (Some say Thomas' wife was Susannah Waller). Anne Burton was born ca1675, died before 1736. Bartholomew and Anne had seven children. After Bartholomew's death Anne married 2nd, before 1725, JOHN SAUNDERS, s/o John & Mary [Risle] Saunders, of York Co., VA. John was married 1st to Jane [Hyde]. Bartholomew had eight children:

Hanover Co.(?), VA, 20 Nov 1751, d. 12 Dec 1845 at the home of her daughter, Elizabeth [Stovall] Tatom, in the Spring River Community, Hinds Co., MS. She is bu. at the old Stovall Cem., in Hinds Co., 2.7 miles south of New Byram on the west side of old US 61. Josiah and Mary may have married in Virginia but they established their home in Granville Co., NC at a place now known as Stovall, NC. They had seventeen children, eleven of them born in Granville Co., NC and the remaining six in Wilkes Co. (now Lincoln Co), GA. Josiah served in Capt. Yancey's Company (North Carolina) of Col. Richard Henderson's Regiment during the American Revolution. As a result of his war service it is said that he obtained land in Wilkes Co. (later Lincoln Co.), GA in 1785.

Following the death of Josiah, his living children started migration from Georgia. The first that left moved to Giles Co., TN. Mary joined this group either when these children moved or at some subsequent time. Others of the children moved to Alabama and later to Itawamba Co., MS. Others also moved to Old Marion Co., MS, settling in the China Grove Community. Mary and at least one of her sons, Drury Stovall, later joined the group in Marion Co. Within a few years, Mary and several of her family moved to Hinds Co., MS.

The name of the parents of Esther has not been established. Some researchers think that she may have been the daughter of Owen Elliott. Owen Elliott is shown in Luke Conerly' "History of Pike County, MS" as being a founding member of Sartin's Church in Pike County in 1813. If this information is correct, and Esther was his daughter, she would have been born in Mississippi and not South Carolina as shown in the census. However census records are not always accurate, particularly regarding place of birth of children of pioneer families. Owen Elliott is not found in either the 1816

Mississippi Territory Census of Pike Co. or in the 1820 U.S. census of that county. Sartin's Church, though, is less than two miles from Marion County where Owen could have lived. Also there was a William Elliott listed in the 1816 census of Pike Co. Then his household consisted of five people, one male and one female over 21, and one male and two females under 21. The male and female over 21 were probably William and his wife and those under 21 their children. Esther Elliott's birthday would have fit into this family. Thus, in all probability she was the daughter of either Owen or William Elliott.

Thomas Peter and Esther are said to have been buried in the old Stovall Cemetery where his parents are buried in Marion County, MS in SE 1/4-S6-T3N-R12E. When this compiler visited this cemetery in 1976 no markers for them were found. There were obviously several unmarked graves in this cemetery, however, it was so badly overgrown with trees, honeysuckle vines and other bramble that some markers might have been obscured.

They had ten children:

They are bu. at Sartinville Cemetery in Walthall Co., MS. Their graves are unmarked. According to family tradition one is buried at the head and the other at the foot of the grave of Major Sartin, his father. (Major Sartin's grave is marked). JOSEPH MAY (1732-1829), WIVES AND CHILDREN

ID#

NAME/GENEALOGY

- 1 MAY, JOSEPH, was born 15 Sep 1732 in Virginia or South Carolina and died in Pike Co., MS, 8 Dec 1829. He was married twice, both times probably in South Carolina. He married 1st, ca1766, (Elizabeth?) Baker, by whom he had three children: John, James, and Elizabeth. His first wife died sometime between 1771, when Elizabeth was born, and ca1782 when he is believed to have married his second wife, Mrs. Jane McLain, widow of Daniel McLain.
- Joseph May fought in the American Revolution, joining on 5 Apr 1776 the 5th Regiment of the South Carolina Militia, believed by some to be part of the Continental Line. Oral family tradition is that he fought with General Francis Marion during this term of duty. Oral family tradition also says he served a second military term as a substitute for a brother, supposedly in the 2nd Continental GA Battalion. He is said to have been with Gen. George Washington on 21 Oct 1881 when British Gen. Cornwallis surrendered at Yorktown, VA in the last battle of the Revolution.
- Joseph's first wife is believed to have died before he entered the second term of service and possibly before beginning or during the first term. It is family lore, not yet substantiated by family researchers, that he substituted for his brother in the second term under condition that his brother would take care of Joseph's children as well as he cared for his own until Joseph's return from service. According to this story, when he returned from the war he was dissatisfied with the treatment his children had received while he was away and felt it necessary to establish a better life style for them as soon as possible. To do this he urgently needed a wife. Calling upon widow McLain, who also had orphans, he proposed marriage while still on his horse, conditioning this proposal with a statement that he would ride on if the answer was no. Mrs. McLain invited him to dismount and discuss the matter further. She, probably needing a husband as much as he needed a wife, is said to have not dallied long before accepting his proposal. Whether this story is factual or not, according to family researches Joseph was in Wilkes Co., GA, by 1872 and he was appointed administrator of Daniel McLain's estate in Jan 1783, replacing John Wilson who had been appointed administrator in Nov 1782. Jane and Daniel McLain and two or three CHN were born in Scotland, possibly County Berwick, and had been in America only a short while when the American Revolution started. He joined the 3rd South Carolina Regiment on 24 Jul 1776 and he died while in service or shortly after he got out. The McLains had a daughter, Katherine McLain, who married James Robinson, probably in GA. They had moved to Amite Co., MS by 1830. The McLains also had a son, Allen McLain, who was born 29 Dec 1775 and d. Amite Co. MS, in 1855. He married Neomi Bateman in 1806 in Williamson Co., TN. They moved to Amite Co., ca1812 and both are bu. at Gloster Cem., in that County. Several other McLains, probably their descendants are also bu. in the same Cem. Allen & Neomi McLain had eight CHN; Mary [Huff], Frances [Benton], Isaac B., Enoch B., Charles H., Parker B., and Daniel McLain, Jr. The name of the third CH of Daniel & Jane McLain, if there was one, has not been determined.
- It is not known exactly when and where Joseph and Jane were married but apparently it was before Joseph took over as administrator of the McLain estate. They were in Georgia when their child, Joseph, Jr. was born 8 Oct 1783. "The Reconstructed 1790 Census of Georgia" shows a listing for Joseph May in Land Court held in Richmond Co., 1786-1787. If this was the same Joseph May, it is assumed that they settled initially in this County. It is assumed that they later lived in Wilkes and Washington Co., GA before leaving that state. At least five more children, Etheldred, Hiram, Lafayette Littleberry, Greenberry, and Mary May were born to them in Georgia. Some family researchers believe they had one more son, Phillip May, who was living in Pike Co. near other members of this family in 1824.

Sartin Family**

This Phillip May served with several sons of Joseph May in the War of 1812. It is not yet conclusive that Phillip was a son of Joseph May, however his service with sons of Joseph May in the war of 1812 and his residential proximity from 1824 through 1850 to others of the Joseph May family suggest that he was possibly a son of Joseph. Accordingly he will be listed herein as a possible son. Sometime after 1824, Phillip settled in Simpson Co., MS and in 1830, 1840, and 1850 he was listed in the census of that county with a wife and several CHN. He was not found later in Simpson Co. by this compiler. However, according to other researchers, Phillip's wife, Elizabeth, was listed as a H/H head in Navarro Co. TX in 1860. Several of their younger children were living with her. This leads to a conclusion that this family moved to Texas sometime between 1850 and 1860. The absence of Phillip in the H/H in 1860 probably indicates he was deceased by then.

In 1802 Joseph was in Washington Co., GA, when he gave his married daughter, Elizabeth Newsom of Warren Co., Ga, two Negro boys. (Warren Co. Deed Book B. Page 129). In the same year, 1802, Joseph's son, John, was a petitioner (for land ?) in Mississippi Territory. A year later Joseph was also a petitioner in that Territory.

In the 1805 Territory census, Joseph and his family were listed in Wilkinson Co., MS, except married daughter Elizabeth Newsom who remained in Georgia until a year or so later. Thus this dates the move from Georgia to Mississippi as sometimes between 1802 and 1805, probably about 1803. This 1805 census shows eight males and one female living in Joseph's household in addition to Joseph and Jane. One or two of these may have been Jane's children by her prior marriage.

The 1810 US census shows the family living in Amite Co., MS. (Amite Co. was organized in 1809 from Wilkinson Co. Thus there might not have been a physical move by the family). Joseph's sons, John and James, were listed in separate households in that county census. John was married but James was living alone.

The family was living in Pike Co., MS in 1816 when the Territory census was taken that year. At that time only four people were listed in Joseph's household, including Joseph & Jane. However, three of his son's, John, James & Lafayette Littleberry, were married and living in their own households then. The number and ages of those listed in the son's households, would indicate that the missing unmarried children of Joseph and Jane may have been living in their brothers' households. While this family was not listed in Pike Co. census records until 1816 there is evidence that they were living in what was to become Pike Co as early as 1813. (Pike county was formed 9 Dec 1815 from Marion Co.). William's, "Records of Marion Co., MS" states that the 1813 Tax List assesses Joseph May for one Pole and 13 slaves. Also, Luke Conerly's "History of Pike Co., MS", page 59, contains this statement: "In 1813 Sartin's Church was established by John Sartin, Joseph Newsom, James Reed, John May, Joseph May, Owen Elliott, and Stephen Ellis". (This church is now known as Sartinville Church and although it is not in the same building it is located at the same site in the community now know as Sartinville, MS).

The last census listing for Joseph was in the 1820 US census of Pike Co. Both Joseph and Jane died in that Co., he on the date indicated above and she before 1840. Their burial place is not known, but this compiler believes it probably was in an old May family cemetery, now known as the Joe Badon Cemetery, located in Walthall Co, MS, SW1/4 S22-T4-R11, about two miles SE of Sartinville. (In 1975 there were some old unidentified brick vaults, largely destroyed, in this cemetery. Also there were several other unmarked graves. At that time the cemetery was in a very deteriorated condition. The last recorded burial was in 1890).

In summarizing, it is believed that Joseph May had at least nine children: John, James, Elizabeth, Joseph Jr., Hiram, Lafayette Littleberry, Etheldred, Green B., Mary and possibly one more, Phillip May. The first three were by his 1st wife and the rest by Jane McLain.

11	MAY, JOHN, s/o Joseph & (Elizabeth?) [Baker] May, b. SC, 1767, d. 11 Jul 1851. Some family researches say that he died in Pike Co., MS, however, at the time of the 1850 census he was living in Lawrence Co., MS in the household of his son, Everett Matthias May. Since he died in 1851 about a year after the 1850 census was taken, it is more likely that he died in Lawrence Co. John moved with his father and step-mother from South Carolina to Georgia ca1782 and again to Wilkinson Co., MS between 1802 and 1805. He was the first of his family to appear in Mississippi Territory records. In this 1802 record, he appeared as a petitioner (for land?). John, still unmarried, was well along in his maturity at that time. Thus he probably was the "scout" or "agent" for his father who moved his family to Wilkinson Co. before 1805. On 22 Feb 1808 John was married in Wilkinson Co., MS to Mary Farley. Mary died between 1818 and 1826, probably in Pike Co. MS. Her place of burial is unknown. John and Mary first settled in Wilkinson Co, but by 1810 they were living in Amite Co., MS. On 24 Feb 1809, two days after their marriage, Amite Co., was formed from Wilkinson Co. Thus their change from Wilkinson to Amite Co. probably did not involve a physical move. Their next move to Marion Co., MS, ca1813, did, however require a change of households. Their residency in Marion Co. also was short as Pike Co. was formed on 9 Dec 1815 from Marion Co, and John & Mary found themselves again in another county without a move. John & Mary were of the Methodist faith. John along with his father was a co-founder of Sartin's Church, now known as Sartinville Methodist Church. The community that grew up around this church got to be known as Sartinville MS. Sartinville, originally in Marion Co. and later Pike Co., is now located in north Walthall Co. on State Rte 27 about 2 miles south of the Lawrence Co. line. The church is still at the same site, but in a different building, as the one founded in 1813. John and Mary had six CHN: Greenberry "Berry", Sarah, Joseph Monroe, Matilda, Louise, and John May, Jr. The first CH was born in Wilkinson Co., the next three in Amite Co., and the last two in Pike Co. After the death of Mary, John was married a 2nd time, p in Pike Co., 20 May 1826, to Elizabeth [Thomas] Barnes who was born in GA, c1794. She probably died in Lawrence Co., MS, after 1860. She was living in the household of her daughter, Amanda [May] Bridges at the time of the census that year. The burial place of John and Elizabeth is also unknown. They had three CHN: James S. (or M.), Everett Matthias, and Amanda A. May, all born in Pike Co.
114	MAY, MATILDA, d/o John & Mary [Farley] May, b. PCo, MS, 15 Feb 1814, d. PCo, 1 June 1899. On 24 Jan 1833, in Pike Co., MS, she married Major Sartin, s/o John & Margaret [Barnes] Sartin, b. Pike Co., MS, 28 Nov 1812, d. Pike Co., 6 Mar 1908. Both are buried at Sartinville Cemetery, WCo, MS. Major was a prosperous farmer, living all of his life in the Sartinville Community. Major and Matilda were prominent members of the Sartinville Methodist Church located across the road from the Sartinville Cemetery. About 1858/9, Major built a new home about a mile or so north of the Church and Cemetery in SE1/4 SE14 S6-T4N-R11E. It was large enough to accommodate his big family and sturdy enough that it is still in use (1991). This writer first saw the house around 1954. At that time it was still structurally sound but in need of repair in several areas. Subsequent to then, ownership passed to the Thurman Boone family, a descendant, who restored the house to its original condition. Today the house stands majestically along Rte 27 about a hundred yards or so from the road. The road has obviously been rerouted since the house was built as it stands at a near perpendicular angle to the road. An interesting story has been told about a near fatal illness that Matilda contacted at one time. It seems that she came down with an ailment under which the patient goes through a crisis before

death or recovery. It seems that all the family, along with the Doctor, were gathered around the bedside as she entered the crisis. As her condition grew steadily worse the Doctor finally made a diagnosis that she was dying. Since the nearest place a coffin could be obtained was in McComb some 25 miles or so away, and this being a days journey each way, a wagon was dispatched immediately to obtain one. A flash flood occurred while the driver was in McComb, delaying his return for a day or two. When he finally arrived at the Sartin home, Matilda was sitting on the front porch waiting to greet him. The coffin was stored in the loft of the house to await the appropriate time to be used. After all another flood might occur again when it would be needed! Major and Matilda reared eight children: George Pounds, Sarah Jane, Elijah, Madaline, John Westley, James Obed, Linus Whitman, and Mary Elmira Sartin.

GEORGE & PENELOPE [TAYLOR] DAVIS

ID#: 1 NAME: DAVIS, GEORGE, born in the State of Georgia, 12 Nov 1782, died in St. Tammany Parish, LA 18 Dec 1856. Circa 1815, he married Penelope Taylor who was born in the State of South Carolina on 27 Sep 1782. She died in St Tammany Parish, LA on 6 May 1858. They are buried at Sharp [Pinewood] Cemetery, a small private Cem. about two miles west of Mandeville, St Tammany Parish, LA. The Cemetery is about two or three hundred yards south of RTE 190. Access is by a small road with one or two homes fronting this road before it dead ends at the Cemetery. The Cemetery is not visible from Rte 190. George & Penelope were married prior to their move to Louisiana. Their marriage may have taken place in Mississippi Territory as their first, and apparently only child, William P. Davis, was born in that Territory. The date of their move to St. Tammany Parish, LA, and the exact site of their home in that Parish is not known by this writer. However, they were there before the 1850 census, and according to family tradition they settled in the immediate vicinity of Mandeville and near Lake Pontchartrain. The name of the parents of neither of them has been determined. <St. Tammany Parish Cen of 1850; Family traditions; and cemetery inscriptions>

ID#: 11 NAME: DAVIS, WILLIAM P., s/o George & Penelope [Taylor] Davis, was born in Mississippi Territory, 22 Jul 1817, d. St. Tammany Parish, LA. 19 Sep 1882. He married probably in St Tammany Parish, ca1845, Esther Singleary, b. LA, 1 Dec 1829, d. St Tammany Parish, 17 April 1910. Both are buried at Sharp [Pinewood] Cemetery, about two miles west of Mandeville, LA on the south side of Rte 190. According to family tradition they had thirteen children: James T., Mary, William G., Louis Alexander, John H., Joseph F., Richard Solomon, Jefferson, Esther, Emma, Joshua, Mae, and George. <St. Tammany Parish Cen 1850; Family traditions; Personal contacts; and Cemetery inscriptions>

ID#: 118 **NAME:** DAVIS, JEFFERSON "JEFF", s/o William P. & Esther [Singletary] Davis, b. St. Tammany Parish, LA., 18 March 1862, d. Marion Co., MS, 13 May 1935. Jeff came with his brother, Richard Solomon Davis, to Marion Co., MS, ca1879 and entered the timber business. In ca1887, Jeff married Anna May Winborne, d/o David Fisk & Louisa Adaline [Quillin] Winborne. This wedding probably took place in Marion Co., as that appears to have been the home of her parents at that time. Anna May was born in MS, probably in Pike County, 23 Aug 1868 and died in Marion Co. 1 Mar 1937. Both of them are bu. at the old Columbia Cem. in Columbia, Marion Co., MS. Jeff was already in the saw mill business when he married and he and his bride initially lived in Columbia. They remained there until their second child was born. Shortly thereafter they moved to Lumberton, Lamar Co., MS where he continued to operate a saw mill. Their third child was born in Lumberton, but before 1895 they had returned to Columbia. Their stay in Columbia was brief before they moved to Spring Cottage east of the Pearl River in Marion Co. They lived there for a few years while he sawed the timber from a 600 acre plot of land that he had purchased. Their next move was back to Columbia for a short period before he purchased a house and cotton gin in Hub, Marion Co. MS. He also continued in the saw mill business, operating the gin and saw mill simultaneously. Some time around 1910 their house near the gin burned. They bought and moved into another house that is still standing in 1994. It is located near the cross roads at Hub and behind where the old Hub school was located. This house had an unusual feature in that it had water piped inside from a free flowing artesian well. While all of the outlets (sinks, commode, water closets, etc) took on a rusty color from the iron in the water, this was a big improvement over drawing water from a well. Sometime around 1920 they moved to Picaune, MS for a short period. Then they returned to their home in Hub and remained there until their deaths. Jeff & Anna May had eight CHN: Effie May, Mary Ola, Nellie Estelle, Frederick Marion, Ida Lucille, David Joshua, Velma Louella and William Wallace Davis. <Marion Co. ID#: 1182 **NAME:** DAVIS, MARY OLA, d/o Jefferson & Anna May [Winborne] Davis, b. Marion Co., MS, 20 Sep 1889, d. Mobile, Mobile Co., AL, 17 May 1973. Ola served as Postmaster of the Hub, MS Post Office several years before her marriage in Marion Co. on 23 May 1917 to Grover Cleveland "Cleve" Sartin. Cleve, the s/o Linus Whitman & Angeline [Stovall] Sartin, was born in Pike Co., MS (now Walthall Co.), 27 May 1887, d. Marion Co. 2 July 1957. Ola & Cleve are bu. at Woodlawn Cemetery in Columbia, Marion Co., MS. When they first married, they established a home south of Columbia, in the Cheraw community. Between then and his death, they lived in several places in Mississippi, Alabama and Arkansas due to the nature of his occupation (Cotton Gin and Ice Plant Operator). The chronology of their subsequent moves, with the approximate date of each move, is as follows: Fulton, MS (1922); Red Bay, AL (1927); Sulligent, AL (1935); Amory, MS (1936); Fulton, MS, 2nd time (1937); Twist, AR (1940); Earl, AR (1942); Tyronza, AR (1943) and last in late 1843 to Hub, Marion Co., MS. In the fall following Cleve's death, Ola moved to Mobile, AL to be near one of her daughters. The last year or two of her life, she lived among her children who lived in the costal areas of Alabama and Mississippi. They had eight CHN; Davis Whitman, Norma June, Anna Ouida, Angelyn Oneda, Grover Cleveland, Jr., Katherine Elizabeth, Linus Jeff and Mary Sue Sartin. <Family knowledge>

ID#: 1 **NAME: WINBORNE, DAVID,** born in SC, probably in Orangeburg District, c1785 and died in Pike County, MS. between 1850 and 1860. He is believed to be the son of Jesse Winborne who was listed in the 1890 census of Orangeburg District, SC as having four males living in the household, two under 16 and two over 16. A Passport was issued by the Governor of Georgia on 21 Mar 1805 to Jesse and Andrew Winborne to travel through the Indian Nations to Mississippi Territory. A record has been found of Jesse Winborne being in Amite Co., Mississippi Territory, in 1805. He also made a payment on land in that County in 1809. <Casey's Amite County History, Vol 1, page 128>. The Andrew Winborne that traveled with Jesse to Mississippi in 1805 is probably the Andrew Winborne that married Jane Magee in Covich Co., MS. Jane, b. ca1803, was the 11th child of Jacob & Mary [Scott] Magee. <Brown's "Pigott History", Page 147>. The birthdate of Jane would tend to indicate that her husband was several years younger than Jesse Winborne and thus if he was the traveling companion of Jesse on the trip to Mississippi, he probably was Jesse's son. Further there were two Winborne girls that married in Amite Co. a few years after the arrival of Jesse Winborne in that County. These were: Jane Ann Winborne that married Matthew McEwen on 15 Aug 1814 and Livinia Winborne that married William C. Spurlock on 2 Oct 1817. These also probably were Jesse's daughters. David Winborne married Nancy Ann Felder in Marion Co., MS on 30 Jul 1813. She was born in SC, 8 Dec 1789 and died in Pike Co., MS on 16 Aug 1850. Nancy Ann was the daughter of Peter & Elizabeth [Lowe] Felder, pioneer settler's of Amite/Pike Counties, Mississippi. They came to Mississippi from Barnwell District, SC. First they settled in Amite County, but later moved to a place about 1 1/2 miles south of what is now Magnolia, Pike County, MS. David and Nancy Ann Winborne settled on Topisaw Creek in Northeast Pike County. They were very active in the Methodist Church and around 1840 David, his brothers-in-laws John Felder and Matthew McEwen, and others established Felders Campground, a facility still in use today. <Conerly's History of Pike County, Page 41>. David and Nancy Ann reared at least nine children: John Harvey, Joseph Addison, Jesse, Andrew, Jane, Dempsey D., Mary E., Joshua, and Cynthia A. Winborne. The graves of David and Nancy have not been found, however they probably are buried in Felders Memorial Cemetery adjacent to Felders Campground. The first marked grave in this cemetery dates back to 1846. There are many unmarked graves in the old part of the cemetery. <Pike Co., MS Cens 1840, 1850 and 1860; and Marion Co., MRS>

Louisa was listed in her parent's H/H in the 1850 Cen of St. Helena Parish, LA. Thus this was probably the place of her birth. By 1860 the Quillins had moved to the Magnolia area of Pike Co., MS. This is where she met and married David Fisk Winborne whose father was minister of the nearby Muddy Springs Methodist Church. After their marriage, David enlisted in the Confederate Army, serving in Co K, 39th Miss Inf. Following the war they continued to live in Pike County for several years. However by 1880 they had moved to Columbia, Marion Co., MS where they lived for the remainder of their lives. Both of them, and several of their children, are buried at the City Cemetery in Columbia. THOMPSON & NANCY [HOCKADAY] BRISTER (BRISTOW?)

ID#: 1 NAME: BRISTER, THOMPSON, s/o Jedediah & Catherine Brister (Bristow) was born ca1740, probably in Virginia. At the time of his marriage to Nancy Hockaday, ca 1765, both he and his bride are believed to have lived in South Carolina as their first child appears to have been born there. The history of this family is quoted from Reference A as follows: "According to records in the year of 1602, John Bristow went to Ireland from England. He had a son, named Jedediah, who went to the United States, namely Virginia, and on to South Carolina. A record of Brister (Bristow) - John Brister (Bristow), his first wife Michall, his second wife Mary Carter. They had a son, Jedediah, and his wife was Catherine _____. She died in childbirth and he moved to New Kent County, Virginia or South Carolina where his sister lived. This sister helped he raise his son Thompson (or Tomsen). Jedediah married again and had other children, but Thompson married Nancy Hockaday and their oldest children were born in Greenville County, S.C. They lived in the Greenville District of South Carolina near the Pendleton Courthouse. He was a farmer and drowned while trying to cross a swollen river with a mule team. His Children were: 1. Warrick Brister - 1766; 2. Thompson Brister, Jr. - 1768; 3. William Brister - 1770, reportedly settled near Yazoo City, Miss.; 4. BENJAMIN BRISTER - 1772; 5. George - born in Greenville District, S.C., Died 1845. He moved to Louisiana in 1816; 6. Samuel - born in Greenville District, S.C. Moved to Pike Co., Miss. in 1816; 7. Hockaday - born Dec. 13, 1871, died Sept. 8, 1858, buried in Brister cemetery 5 miles north of Durant, Miss.; 8. John - born in S.C., moved to Yalabusha County, Miss. in 1816; 9. Martha -born in S.C. Married William Chandler, moved to Pike County, Miss. in 1816; 10. Catherine - born in S.C., married a Mr. Hogg, moved to Pike County., Miss. in 1816". The above quoted information is as it appears in Reference A. That part dealing with this family prior to the move from South Carolina has not been fully corroborated by this compiler. However, U.S. Census records, at least those checked, do indicate that several of Thompson's children did move to Mississippi about the time indicated. Six of these children, Thompson Jr., William, Benjamin, Samuel, Martha, and Catherine appear to have settled in an area within a fifteen miles or so radius of what is now Ruth, Lincoln Co., MS. This area has continued to be the home land of many of their descendants until today. At the time of their arrival these six families settled in what then was Pike and Lawrence Counties. Lincoln County was formed 7 Apr 1870 in part from sections of Pike and Lawrence Counties. Many of the families are shown in census records as living first in Lawrence or Pike Counties but later in Lincoln Co. This does not necessarily mean that they moved - the county boundaries were changed. <Ref A; and census records>

ID#: 14 NAME: BRISTER, BENJAMIN, s/o Thompson & Nancy [Hockaday]
Brister, b. Greenville Co., SC, c1771, d. Lawrence Co., MS (probably in what
is now Lincoln Co.), 12 Jan 1856. He was married in South Carolina ca1803, to
Sarah Dillard, b. p SC, ca1775, d. in Lawrence Co., MS, BF 1850. According to
tradition, they are bu. in unmarked graves at the old Benjamin Brister Family
Cemetery near Ruth, Lincoln Co., MS. Benjamin was listed as H/H head in
the 1810 Cen of Greenville Co., SC. He was listed in the 1820 Cen of Lawrence
Co., MS and was further listed in the 1830, 1840 and 1850 Cens of that County.
In 1850 he was living alone, thus Sarah was apparently deceased at the time
the Cen was taken that year. Benjamin was listed on the Lawrence Co. tax
roll of 1818 for 320 acres of land "on Topisaw". This establishes that the
family was in Mississippi by 1818. In 1825 he was still on the tax roll for
240 acres "on Topisaw". On 8 Nov 1925 he sold part of SE1/4 S22-T6-R10. This
may be 80 acres from the 320 acres he owned on Topisaw in 1818. The "Topisaw"
referred to here is a creek that flows through what is now Lincoln Co. (then
Lawrence Co) about three miles east of Ruth, MS. The land mentioned above in
Section 22 is located about seven miles SW of Monticello, MS and about four
miles east of the current Lawrence-Lincoln Co. line. It's location is several
miles from Topisaw Creek, however the tax records of that time might have
referred to all land in the drain area of the Topisaw as being on that stream.
The old family cemetery apparently is closer to Topisaw Creek in Lincoln
Co. It was generally a custom in those days for a family cemetery to be
located on the property. Thus it is not clear whether Benjamin and his family
lived on the Section 22 property, the property where the cemetery is located,
or made a move later in life. Benjamin was a Methodist minister and was a
pastor at one time at Felders Campground, a still active Church, a few miles
down stream on the Topisaw in Pike County, MS. Benjamin & Sarah had at
least nine CHN: William, Allison C., TEMPERANCE, Rebecca, James W., Benjamin
Jr., Lavenia, Albert W. Byrd, and Lou Allen Walter Brister. <Refs A & H;

Brister, b. Greenville Co., SC, 29 Feb 1809, d. Columbia, Marion Co., MS, 10
Mar 1890, bu. in the old Columbia Cemetery in Marion Co., MS. On 7 Oct 1836
she was married in Lawrence Co, MS to John Harvey Winborne, s/o David & Nancy
Ann [Felder] Winborne. John Harvey was born (p Pike Co., MS), 6 Jun 1814, d.
p Marion Co, AF 1900. It is believed that he is also buried in the old
Columbia Cemetery, although there is no marker at his grave. His father,
David Winborne, was a co-founder of Felders Campground in north Pike Co.
Temperance's father was a minister at that campground at one time and it was
probably there that Temperance and John Harvey met. John Harvey Winborne,
like his father-in-law, was a Methodist minister. He was a pastor for several
years at Muddy Springs Methodist Church located about two or three miles due
west of Magnolia, MS. The building he preached in there was still in use in
1979 for special occasions. He and Temperance had nine CHN: Malinda Jane,
Benjamin Franklin, DAVID FISK, Caroline Matilda Thayer, Cassandra Adeline,
Sarah Emaline, Nancy Evaline, Parthenia Ellen, and Mary Louisa Winborne.

They are believed to have had twelve CHN: Peter Jr., Gabriel, Mary, Keziah, Nancy Ann, David?, John, Charles, Daniel, Isaac, Jane, and Maria Felder. (CHN may not be listed in the correct order of birth)
- Peter was instrumental in forming the first Methodist Church in Pike County, the original Felder's Campground. His son John and son-in-law David Winborne with one or two others founded the later Felders Campground (Methodist) which is still in use. This Campground is located on HY 570 about nine miles east of McComb, PCo, MS. Another son, Isaac that never married, is buried in an old family cemetery, now almost destroyed, in PCo NW1/4 of SW1/4 of S24-T2-R7 about one and one half mile south of Magnolia, MS and one half mile east of Little Tangipahoa River. There was evidence in 1978 of several graves once covered with brick vaults. This Cem. is possibly on the old homeplace of Peter Felder. It is tradition that he lived in that area.
- 1175 NANCY ANN FELDER, d/o Peter & Elizabeth [Lowe] Felder, b. SC, 8 Dec 1789, d. PCo, MS, 16 Aug 1850; m. MCo, MS, 30 Jul 1813, David Winborne, b. SC, c1785, d. PCo, MS, between 1850 and 1860. Their burial place is unknown but probably is in unmarked graves at Felder's Memorial Cem. at Felders Campground on HY 570 east of McComb. He was instrumental in founding that Campground along with his brother-in-law, John Felder. David and Nancy are believed to have had at least nine children. These CHN are listed in the Winborne Family database.
